Together We Achieve More - Work Academy

Our offer for You

Together with other applicants, you will work on achieving your career goals. Experienced job coaches will be by your side.

In the cozy job café, you can enjoy a coffee or tea while exchanging ideas with other applicants and planning your next career steps.

In a group room equipped with PC workstations, you will work as a team on all important topics related to job search and employment. The job coach will provide valuable input.

Additionally, in the meeting room, you have the opportunity to work one-on-one with your job coach on your professional and personal goals.

Content

Depending on your needs, you can:

- Develop your personal application strategy and create compelling application documents
- Research the education and labour market and learn about various job search methods
- Explore the online services offered by the Federal Employment Agency (BA) in detail
- Practice interview techniques and communication skills
- Consult one-on-one with your job coach to address personal challenges
- Receive information about the legal framework surrounding employment
- Continue to consult with your job coach even after starting a job

Your Path to Us

Participation is arranged with the Jobcenter Bremen. Your personal contact at the Jobcenter will inform you of the first appointment for the start. The Jobcenter covers the costs for you.

Time Frame

The course times are:

- Over a total of 35 days
- 4 days a week, 3 hours each

Tuesday to Friday from 09:00 to 12:00 or
Monday to Thursday from 12:30 to 15:30
